Class description:

Like Glamping? Me too! "Vantastic is one of those patterns that just calls to you. This is an applique quilt made with 7 different vans and a few funky tents. It is a great quilt for beginners and advanced quilters alike for one main reason. . . IT'S SO STINKIN' CUTE!!! In class, we will be putting our applique blocks together and stitching them down. I will show you some tricks to applique quickly and with ease. This is a party waiting to happen!
